

The **Bendersville Community Fire Company** wants to help you advertise your business. We offer a high quality and cost effective means to advertise your business in the parking lot of our facility. Annually we hold more than 100 Fire Company events and host numerous others such as weddings, parties, meetings and family reunions. With thousands of people parking in our lot each year for these events, this has become a prime advertising location.

There are currently two (2) size options offered for signs, both of which come with three (3) years of advertising. Renewals at the three (3) year mark will be offered at reduced rates. Signs are made of .040" aluminum panel, will be painted per your specifications, graphics will be made of Vinyl and we can accommodate up to four (4) lines of text. If you want to include your company logo, you can provide us with a high resolution graphic file or select a common graphic available upon request. If we need to re-produce a logo from scratch, an additional set-up fee of \$150.00 will apply. See the chart below for additional details.

SIZE	INITIAL 3 YEAR COST	RENEWAL 3 YEAR COST
4' x 4'	\$350.00	\$300.00
4' x 8'	\$450.00	\$400.00

Each sign takes approximately 2 weeks to complete after we receive your final approval. Advertising time starts when your sign is posted in the parking lot. The Fire Company will repair any issues with your sign during the first three (3) years. All repairs beyond the three (3) year point will be at your discretion and at your cost.

If you are interested in this unique advertising opportunity, please contact us today in order to get the process started. Don't wait too long as space is going quickly!
